## Module 1

# How to Set Up a PHIMS User Account

# Setting up a PHIMS User Account

---

## **Step 1:**

- You will require a Digital Health account to access PHIMS.
- Ask your manager to complete the Digital Health Account and Access Request form found at [Shared Health Account Management Page](#) to request a new account or to add PHIMS access to your current account
  - If you are unable to access the website, contact Digital Health at 204-940-8500 or 1-866-999-9698 or by email at [servicedesk@sharedhealthmb.ca](mailto:servicedesk@sharedhealthmb.ca) to request a copy of the Digital Health Account and Access Request form

---

## **Step 3:**

- Send the completed Account and Access Request form and Terms of User form to Shared Health Service Desk via email at [servicedesk@sharedhealthmb.ca](mailto:servicedesk@sharedhealthmb.ca)
  - Ensure the subject line of the email is: PHIMS Account Request & Terms of Use

# Steps to Request a PHIMS Account

---

## **Step 4:**

- Your Account Requestor will receive an email with instructions from the Service Desk when your account is set up.
- Note: it will take between 2 and 8 weeks to process requests.

# Preparing to Use PHIMS

---

## **Step 5:**

- Complete the self-study PHIMS training modules for Non Public Health Users.
- The self-study modules and training videos are available on the PHIMS Website at:
