

MEMO

Date: March 19, 2020

To: All PHIMS Managers and Directors, All PHIMS Users

From: Dr. Carol Kurbis, Medical Officer of Health, Manitoba Health, Seniors and Active Living; Kathy Koschik, Manager, Public Health Systems, Digital Health, Shared Health; Cornel Van Egmond, Project Manager, Digital Health, Shared Health

cc: PHIMS Operations Support Team, PHIMS Project Team

Re: **PHIMS Upgrade –REVISED Go Live Update**

The official **PHIMS Upgrade Go Live** is **March 23, 2020**. The upgraded version of PHIMS will be available as early as the morning of **March 22, 2020**.

All PHIMS users should make themselves aware of the changes that are expected with the PHIMS Upgrade:

- There are **PowerPoint** slides that explain the changes located here:
<https://phimsmb.ca/phims-3-2-3-upgrade/>
- There are updated **QRCs** that are on a temporary website located here:
<https://phimsmb.ca/resources/training-support-tools-upgrade/>

NOTE: Please copy the above website addresses and paste them into the address bar of your web browser to access the sites. We are working to provide a safer electronic environment by not using links in our messages.

There have been some changes to the schedule. Please see the table below:

Date & Activity	Time	Availability
Saturday March 21, 2020 PHIMS Upgrade	• 6:00-24:00	• PHIMS NOT available
Sunday March 22, 2020	• All day	• PHIMS 3.2.3 available – new upgraded version
Monday March 23, 2020 COVID-19 configuration promotion	• 17:00-24:00	• PHIMS not available

Details on how to enter COVID-19 information will follow.
