RE:	Action Required: New PHIMS Web Address (URL) and Supported Web Browsers

New PHIMS Internet Address (URL)

As of Thursday, Sept. 30, 2021, **all users** accessing PHIMS must use **the new web address (URL)** <u>https://phims.sharedhealthmb.ca</u>. This new address offers improved performance and security.

Beginning Sept. 30, the old URL (<u>https://panorama.manitoba-ehealth.ca</u>) will no longer be accessible or supported.

Users will have to update their PHIMS bookmarks/desktop shortcuts (see instructions below). If you experience any issues completing these changes, contact your local IT desktop/Virtual Private Network (VPN) service provider for support.

Starting Aug. 12, 2021, the **message below** will be displayed when accessing PHIMS using the old URL. You will continue to see this message until the old URL is decommissioned on Sept. 30.

Action R	quired
The PHIMS web address (URL) https://panorama.manitoba-eh Please start using new web address (URL) https://phims.sha	ealth.ca will be decommissioned on 30 September 2021. redhealthmb.ca prior to the above date.

Supported Web Browsers

There are two supported web browsers for accessing PHIMS: Google Chrome and Mozilla Firefox.

To prepare for these changes, please ensure:

- you perform a test to verify that the new PHIMS web address is accessible from any VPN connections that your site/region/organization provides.
- you have access to either Google Chrome or Mozilla Firefox web browser on your workstations.
- you remove any old PHIMS URL bookmarks/desktop shortcuts or old custom shortcuts on your desktop titled "Panorama".
