QRC

Points to Remember

Ensure you are using a corporately managed device

Prework:

- Scan the document
- Save as PDF document
- Ensure the document is no more than 5MB

The system CANNOT prevent you from uploading a Mass Imms Event document to a client only context. ALL PHIMS users are able to see documents attached with only a client in context. You MUST ensure that the applicable Mass Imms Event is in context prior to uploading a document.

Uploading a document does not replace entering the minimum required data elements into PHIMS. Please ensure complete and accurate data entry into mandatory fields as per MB Health Surveillance Unit direction found here: https://www.gov.mb.ca/health/publichealth/surveillance/forms.html
