

Navigating the PHIMS website

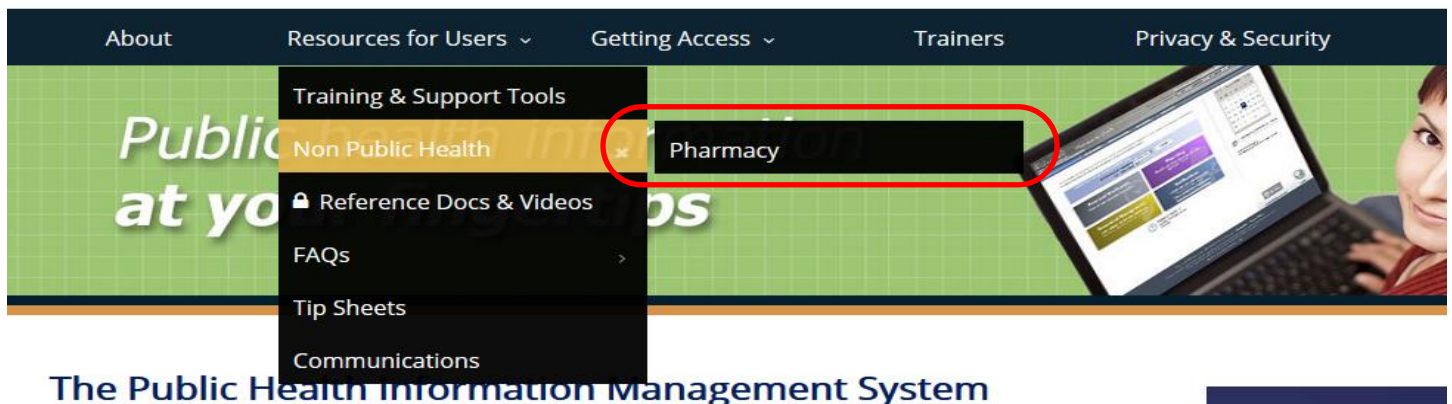

We have a few ways to get to the PHIMS website

1. <https://phimsmb.ca>
or
2. By clicking **'Help'** in the PHIMS application on the landing page or in the client's record

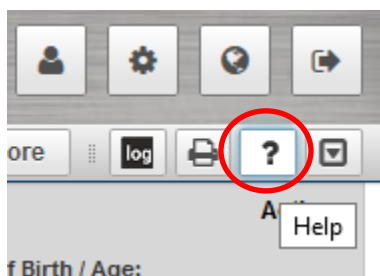

1. Hover over **Resources for Users**, and scroll to **Non Public Health** and select **Pharmacy**

Search here..

2. Once in the PHIMS application, from the landing page you can click on the word **'Help'** this will open a new window and bring you directly to the PHIMS website resources. Click the **'X'** in the top right hand corner of the window to return back to the PHIMS application.

or clicking the **'?'** this will also direct you to the PHIMS website resources
