3. Review/Update Mass Immunization Event:

- i. Event **Title** review the event to ensure you have the correct location
- ii. Event **Date** confirm the correct date/time of event events are split at a maximum of 600 clients per event; a clinic site/date that has more than 600 appointments will have more than one mass immunization event per date
- iii. Event **Type** \rightarrow confirm event type eg. Community
- iv. Organization (the site where the vaccine is stored) and Service Delivery Location
 - i. Organization* = Regional Health Authority or Public Health Unit (*it is very important to <u>update the Organization</u>, as it is initially set at the MB Health Org and must be updated)
 - ii. Service Delivery Location (SDL) = xxx (the <u>location of the clinic</u>) important to select the correct SDL
