MEMO

Date: October 31, 2022

To: All Public Health Managers and Directors, All PHIMS Communicable Disease Investigation (CDI) Users

From: Lynda Tjaden, Executive Director, Population and Public Health, Manitoba Health, Unified Public Health Operations;
Kathy Koschik, Manager, Public Health Systems, Digital Health, Shared Health;
Cornel Van Egmond, Project Manager, Digital Health, Shared Health

CC: Dr. Carol Kurbis, Medical Officer of Health, Manitoba Health;
Tracy Ward, Acting Director, Clinical Provincial PHIMS, Manitoba Health;
Debbie Nowicki, Acting Director Epidemiology and Surveillance, Manitoba Health

RE: **PHIMS Go-live of the STBBI Investigation Quick Entry feature**

Starting November 3, 2022, the PHIMS Investigation Quick Entry page will be available for the following Sexually Transmitted and Blood Borne Infections (STBBIs): Gonorrhea, Chlamydia, Hep B, Hep C, HIV, Syphilis, Syphilis-congenital, LGV, and Chancroid.

New intervention presets have also been added for STBBI investigations and are available on the quick entry page and the Intervention Summary page.

The STBBI investigation quick entry page is accessible to users that have any of the following PHIMS roles:
- MB_CDI_MEDICAL_OFFICER
- MB_CDI_PUBLIC_HEALTH_COORDINATOR
- MB_CDI_PUBLIC_HEALTH_NURSE_CLOSE
- MB_CDI_PUBLIC_HEALTH_NURSE
- MB_CDI_MBHEALTH_SURVEILLANCE

New Quick Reference Cards (QRCs) have been created and posted onto the phimsmb.ca website under Support Tools > Public Health > Investigations.

Need PHIMS support? If you require support with PHIMS access or PHIMS software related issues, please contact the Shared Health Service Desk at:

Email: servicedesk@sharedhealthmb.ca (please state "PHIMS" in the subject line of the email)
Phone: (204) 940-8500
Toll-free: 1-866-999-9698

For urgent matters contact the Service Desk by phone and speak with an agent to escalate your request. Please consult with your local peer supporter/trainer before logging any service requests.
