

Updated Lab Report

Interface will upload lab report into PHIMS

- Classification as "*Case – Person Under Investigation*"
- Disposition as "*Pending*"

RHA Clerk will generate Lab Workload report, assess and confirm updated lab report or new case (see *How to Assign New and Updated Lab Reports*)

- RHA Clerks will update:
 - Classification leave "*Case – Person Under Investigation*"
 - Disposition as "*Laboratory results to be reviewed*" and Update Disposition Date
 - Assign to PHN, Coordinator, and if needed another community clerk

When the RHA (PHN or Coordinator) confirm this is an updated lab report

- RHA will update:
 - Classification "*Case – Lab Confirmed*"
 - Disposition as "*Laboratory results reviewed*" and update Disposition Date of review
 - Save
 - Update Disposition to "*Follow-up complete*" and update Disposition Date
 - Save

By doing all of these steps, you can view investigation history by to clicking
